

2022 BOYS & GIRLS CLUBS SERVING WAKE COUNTY ANNUAL REPORT

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

BOYS & GIRLS CLUBS

Letter from our 2022 Youth of the Year

Dear Boys & Girls Club supporters,

There is a point in our lives where we come to realize that we are more than what meets the eye. We are more than the statistics and more than the words in a book that try to define us. We are more than the opinion of those who have met us at a certain point in our lives. These last four years have been a rollercoaster to say the least. A ride I didn't imagine being on, but turned out to be one of the major highlights of my life. From competing in Youth of the Year competitions, having multiple jobs, applying for college and dipping my toes into entrepreneurship; I've done a little bit of everything.

The beginning of my journey started at the Raleigh Girls Club where I was once shy and soft-spoken but participated in activities that enlightened my mind. I remember the bracelet project with Ms. Army and Ms. Lisa and Camp BTI with Club friends. As I navigated through middle school and the Club, I found passions and hobbies such as entrepreneurship, leadership, and writing. Everything I learned and did at the Girls Club built the foundation for my success.

From there, in my freshman year of high school, I transitioned to The Club -Teen Center. "A home away from home" as some of the Club members would call it. This is where I built on my foundation and established what success will look like for me in the near future. The Club provided me with opportunities to explore a wide range of career paths and opportunities, like meeting with Jessica Holmes, who was then the Wake County Commissioners Chair. This encouraged me to attend the 2019 NC Association of County Commissioners' YouthVoice Youth Summit, an annual event for teens across NC to learn about how local government operates.

Last year I was chosen to speak to a part of the White House Covid Response Team and Department of Education Officials about how Covid-19 impacted our school year, and what policies could alleviate pressure within the school system. Events like these have kept me engaged in The Club, and really helped me grow into the young adult that stands before you today.

In February 2022, myself and 105 other contestants, competed in the Miss SC/NC High School America Pageant. This was an opportunity I found for myself because it has been a personal goal of mine to compete. I did not end up winning but learned many lessons to help me prepare for future obstacles that come my way.

Right about now you may be thinking: "How does she have time for all of this??!" If it's helping myself or my mother keep bills paid and debt paid off, I'll take it. Time management is key but this lifestyle also takes resilience, leadership and most importantly advocacy for yourself! I live in a single parent household and I've seen the ins & outs of what a parents' love will do to hold a family together through tough times! With that being said, my own well-being has been a 'work in progress' as life always has its ups and down. It's all in the matter of how you will take the bull by the horns.

THANK YOU.

Erica Rice,
2022 Organizational Youth of the Year

**Erica
Rice**

Letter from Our Board Chair

It has been my honor to serve as Board Chair of the Boys & Girls Clubs during the past year. In 2022, we enjoyed a “return to normal” in terms of programs and activities, but our Clubs continue to adapt to the evolving needs of our members. In many ways, the pandemic’s social and economic effects have been felt most acutely by the people we serve, but our staff’s commitment to our kids never waivers as they mentor, teach and build up our children and teens.

We started 2022 with average daily attendance (ADA) across our seven locations of 582, and we ended the year with 760. This increase in ADA tells an important story. While our overall membership number may be lower than pre-pandemic, the frequency with which members have attended has increased. In fact, our IMPACT members – those who attend the Clubs at least 52 times in a year – increased in 2022 from 826 to 1,062. Club programs have the greatest impact on our kids and our community when members attend more frequently. It is great to see that the kids who need us most sought out the opportunities the Clubs offer.

Our Great Futures Campaign was a huge success thanks to our community’s most dedicated volunteers and donors. Special thanks to our Great Futures Campaign Chair, Robert Brown, for his leadership in helping us to exceed our goal! We are excited to have Julie Hampton as the 2023 Great Futures Campaign Chair.

July brought a welcome return to traditional summer activities in the Clubs and at our day camp in Nash County. Members enjoyed kayaking, archery, swimming, hiking, and other outdoor activities!

With Fall and a return to school year schedules came our 20th Annual Breakfast of Champions. Under the leadership of Buzz Crosby (Chair) and Matt Ludwig (Vice Chair), the Breakfast of Champions exceeded its goal! We gained perspectives on leadership from NC State University Baseball Coach Elliott Avent, and were delighted to induct Michael Dickinson into our Boys & Girls Clubs Hall of Fame.

We hope you’ll enjoy this report on how the Boys & Girls made a difference in the lives of local kids in 2022, thanks to your support. We are truly grateful.

Sincerely,

Mark Lee
2022 Board Chair

Board Chair

Making a Difference

WHO WE ARE

- Boys & Girls Clubs has been a trusted community organization in Wake County since 1967.
- We operate 7 Clubs in Wake County, with an 8th Club on the way!
- Members pay only \$7.50 per year to attend our Clubs!

PRIORITY OUTCOMES

ACADEMIC SUCCESS

Our Clubs foster a love of learning and provide support to help members graduate from high school prepared for college or a career.

GOOD CHARACTER & CITIZENSHIP

Members develop into engaged citizens that demonstrate good character and become leaders in their community.

HEALTHY LIFESTYLES

Boys & Girls Clubs give youth the tools they need to make healthy, positive choices and promote their personal wellness.

Programming Spotlight: Academic Intervention

53 total participants in 1st through 6th grade

100% of participants identify as youth of color

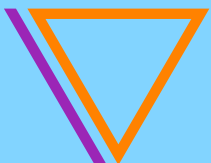

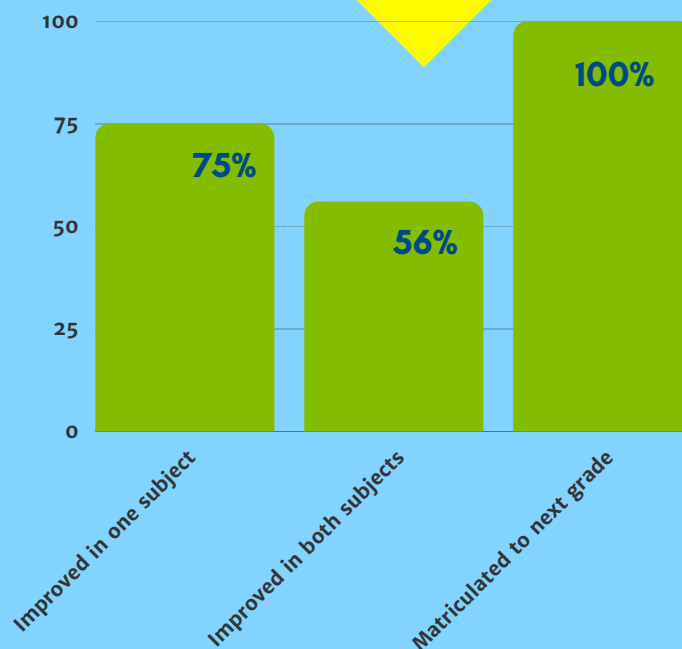

1,665 hours of intervention provided by the Academic Intervention Program

Stories from Our Participants

Aiden, a 4th grade boy, began the year reading at a first-grade level. He refused to participate in activities, saying he was “too stupid.” The Academic Intervention Manager (AIM) remained consistent and continued to build Aiden up. By the end of the year, he looked forward to participating in the program. He also became the best-behaved participant with our reading volunteers. Because of his hard work, Aiden's fluency improved from 17 words per minute to 38 words per minute. Aiden started 5th grade with a lot more confidence in himself!

Daysha, a 2nd grade girl, was added to the program because she did not know her letters or numbers. The AIM spent hours supporting her each week to help her catch up. Daysha now completes her homework independently, and she knows all her letters and numbers. She grew 14 words per minutes and improved her math score from 15 correct answers to 22. Daysha will continue to participate in the Academic Intervention program to help her stay successful!

Awards

"I AM" AWARD WINNERS

"I Attend the Most" Awards recognize members who attend the Clubs with the most frequency. Through decades of research and more than a century of experience, Boys & Girls Clubs know that Club staff and programs have an impact when members attend 52 times per year. The impact is even greater when members attend at least 104 times per year.

- Kayla, The Club - Teen Center with 167 days.
- Camiya, Washington Elementary Club with 189 days.
- Zavion and Dawson, Raleigh Boys Club with 194 days.
- Diego, Brentwood Club with 197 days.
- Temperance, Raleigh Girls Club with 204 days.
- Brielynn and London, Wake Forest Club with 210 days.
- Mason, Zebulon Boys & Girls Club with 211 days.

Volunteers

VOLUNTEERS OF THE YEAR 2022

Mousami and Jai Gupta

Mousami and Jai first got involved through a summer project through Activate Good donating school supplies. They then volunteered at our Gary Joyner Soccer Tournament passing out lunch to all the players and families. They now stay involved with their Monthly Birthday Celebrations at our Raleigh Boys Club. They come to the Club on a monthly basis to throw a birthday party for all the members who have a birthday that month. They bring the decorations, party supplies, balloons, goodie bags, and of course the cake! Thank you, Mousami and Jai, for being a big part of our Club.

Kate Gavaghan

Kate has been volunteering with our Wake Forest Boys & Girls Club for over 2 years. She started with the Power Hour Program and as she got to know our kids and Club she wanted to do more. She brought her interest, skills, and expertise and completely revamped our Ultimate Journey Program. Kate even took a select group from that Program to Falls Lake State Recreation Park where they did different science experiments, got their hands dirty, and even got to take a ride in the canoes! She completely overhauled our garden beds with native plants and taught our kids about the importance of the local ecosystem. Her current project is our front bed. She has bricks, soil, mulch, and native plants donated. Now, instead of seeing overgrown bushes right outside the front doors, we will have native bushes and flowers. Thank you, Kate!

Mural inside of Raleigh Girls Club gym. Sponsored by Pack United and Adidas.
Mural artist, Sean Kernick

NC State Athletics Pack United

This year, Pack United collaborated with Adidas on a project that would completely makeover the gym at the Raleigh Girls Club. They renovated the gym space with an entirely new paint job, donated all new basketball goals, a brand-new built-in volleyball system, and they brought mural artist, Sean Kernick, who transformed the space completely! We then got to celebrate with our very own pep rally! We had Pack United, NC State Cheerleaders, NC State Drumline, even Mr. and Ms. Wolf to help celebrate! The next day, members from our Raleigh Clubs attended an NC State University football game and continued that energy from the pep rally the day before. From that special day, to volunteering at field days and even donating new whiteboard tables for our education space, we couldn't be happier to have partners like NC State Athletics Pack United!

Volunteers

VOLUNTEERS OF THE YEAR 2022

Brendan Orner

Brendan is one of our program volunteers at the Washington Elementary Boys & Girls Club who has been with us since June. Our members get so excited when Brendan comes to the Club. Whether he is playing basketball or soccer with our members, he is the first to cheer them on and encourage them to not give up! He's also a major help in our Power Hour room with homework for all of the groups. We are so grateful to have him simply because we can count on him being there. Thank you, Brendan, for being a huge part of our Club.

Angela Salamanca

We would like to recognize a very special person who has a huge impact on our Clubs. Angela Salamanca, Owner at Centro Mexican Restaurant, has supported our Clubs through the Day of the Dead 5K race for over 10 years. This race celebrates tradition, community, and diversity. Angela has been a huge part of this race every year, and we would like to honor her involvement and impact. Thank you, Angela, for your continued support, fun, and engagement at the Clubs.

Emily Grant

Emily started volunteering at the Zebulon Boys & Girls Club during the spring of 2022 and has continued through the summer and into the fall. She spends most of her time at the Club volunteering with our gardening program. Whether it's weeding the garden beds with the Members, planting new vegetables or flowers, or teaching members about how to grow plants and the importance of how to grow our own food. Members enjoy our gardening program very much and we are so happy that we have Mrs. Emily to thank for that.

* This selected financial data is presented in summary format to provide information regarding the performance of Boys Club of Wake County, Inc. in a manner that is meaningful and useful to the widest range of readers. This information is derived from the audited financial statements, which were audited by Batchelor, Tillery & Roberts, LLP, CPA's.

Looking Ahead – Events in 2023

Zebulon 8kickoff Race September 9th, 2023

Join us for the inaugural 8kickoff race benefitting the Zebulon Boys & Girls Club. Scan the QR code or visit our events page for updates!

Breakfast of Champions, September 18th, 2023

The Breakfast of Champions is Boys & Girls Clubs' biggest annual event! Club Members and volunteers join with Wake County's most influential business and community leaders to celebrate great accomplishments over the past year and recognize the newest members of our Boys & Girls Clubs Hall of Fame. Scan the QR code or visit our events page for updates!

Day of the Dead 5k, October 28th, 2023

The Day of the Dead race and festival promotes health, diversity, community, and cultural understanding. Proceeds support the Brentwood Boys & Girls Club. The 5k race begins at 10 am in Downtown Raleigh, and is an out-and-back course through the historic Oakwood neighborhood, turning around in Oakwood Cemetery. There are prizes for categories of race winners and for the best Calaveras costumes. Face painting, Mariachi music, and cultural festivities make this a fun and unique event. Head to the Event's page on our website for updates.

Gobbler's Run 5k, Thanksgiving Day 2023

Why do we wake up early on Thanksgiving morning to run? Not only is it a great way to make room for turkey, but all of the proceeds from Gobbler's Run support the Wake Forest Boys & Girls Club. Gobbler's Run has become a tradition for many families, attracting more than 2,000 participants in recent years and raising more than \$60,000 each year for our kids' futures. Watch the Events page on our website for updates.
