

2025 Annual Report

BOYS & GIRLS CLUBS OF
WAKE & JOHNSTON COUNTIES

*Our mission is to enable all young people,
especially those who need us most, to reach
their full potential as productive, caring, and
responsible citizens.*

BOYS & GIRLS CLUBS
OF WAKE & JOHNSTON COUNTIES

Leadership Letter

Dear friends,

2025 stands as a milestone year in the history of Boys & Girls Clubs, defined by progress, purpose, and possibility. As President and CEO, it has been an honor to see our mission reach new heights and ensure more young people feel safe, supported, and empowered to discover what's possible.

Our mission remained clear: to ensure every young person who walked through our doors felt safe, supported, and inspired to build a Great Future.

This year, we proudly opened the Fox Road Boys & Girls Club, expanding access to high-quality youth development in a growing community. More than a new building, Fox Road represents our commitment to creating spaces where members can learn, grow, and thrive with the support of caring adults.

Alongside this milestone, our Clubs continued to deliver meaningful experiences that keep members coming back day after day. These consistent connections, built through programs, mentorship, and opportunity, are where our greatest impact happens.

None of this would be possible without you. Your investment fuels the moments that shape confidence, unlock potential, and change the trajectory of young lives.

Thank you for standing with us and for helping make GREAT FUTURES possible.

With sincere gratitude,

Matt Taliaferro
President/CEO

Our Impact

Sarah

Washington Elementary Boys & Girls Club

Sarah started coming to the Club when she was 6 and initially struggled with literacy skills. Through support at the Club and participation in the AIM program, Sarah began making steady progress academically. As her confidence grew, so did her willingness to help others. Sarah has become a positive presence at the Club, often encouraging and assisting her peers.

Mark

Boys & Girls Clubs of Johnston County

Through consistent support and trusted relationships with Club staff, Mark began to open up and learn that he was not alone. Over time, he began building friendships and letting his guard down with his peers. Today, Mark is kind, engaged, and an active Club member. He has built a strong support system at the Club and takes pride in being a part of different programs.

Mariah

The CLUB - Teen Center

Since becoming involved in the Club, Mariah has experienced meaningful growth after discovering art as a powerful form of self-expression. Through access to creative opportunities and the encouragement of supportive staff, she found a safe and natural way to share her emotions and ideas. Art has given Mariah a voice when words are hard to find. Today, she is a valued member of the Club community whose creativity leaves a lasting impact.

Zion M.

Zebulon Boys & Girls Club

Zion, our 2025 Organizational Youth of the Year, has been a proud member of her Boys & Girls Club for 13 years. For her, the Club isn't just a place to go after school—it's a second home.

She shares that the Club has always been a safe, welcoming space, and one thing that will never change is the deep love she has for it.

"The Boys & Girls Club served as a second home for me, providing a safe and welcoming environment where I could escape the challenges of daily life. As with many teens my age, there was a time when I had a feeling that I didn't belong. I think that at this time in my life, I lacked interests, friends, and passions. I cannot thank the Boys and Girls Club enough for helping me survive during this time. The Club gave me a place to be my unique self and not be judged."

Priority Outcomes

Life & Workforce Readiness

Young people are equipped to navigate adulthood and pursue a fulfilling, economically viable career path.

Health & Well-Being

Youth make informed, healthy decisions that contribute to their overall well-being.

Character & Leadership

Young people stay true to their values, demonstrate good citizenship, and drive positive change.

Academic Success

Young people are self-directed learners who succeed academically.

Programs That **Inspire**

American Towers Computer Lab

Opening Doors Through Technology

The American Tower Computer Lab provides members with access to essential technology and hands-on learning opportunities that build digital literacy and 21st-century skills. Through this dedicated space, members strengthen their confidence using technology for academic success, career exploration, and everyday problem-solving. The lab plays a vital role in preparing members to navigate an increasingly digital world and supports their pathway to Great Futures.

Opportunities That **Empower**

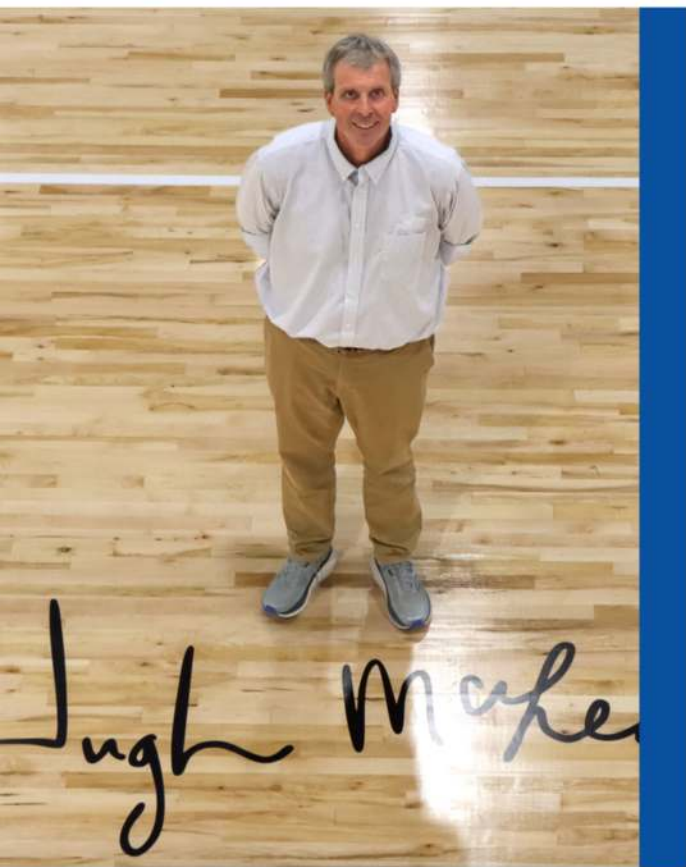

Senior Signing Day

Honoring Every Path Beyond High School

Senior Signing Day brought graduating seniors from across the organization together to celebrate their plans beyond high school.

Modeled after traditional athletic signing days, members proudly signed their intent to pursue their next chapter, whether attending a four-year university, enrolling in community college, or enlisting in the military. Through a partnership with Wake Technical Community College and hosted by C.C. Hardy, our Workforce Community Outreach Manager, Senior Signing Day highlighted the diverse pathways available to members beyond high school. This meaningful milestone honored each senior's commitment, determination, and the many pathways to Great Futures.

Guided By **Legacy**

Hugh McLean

Honoring 39 Years of Leadership

After 39 years of dedicated service, Hugh McLean retired in 2025, leaving a lasting legacy on the Boys & Girls Clubs. Hugh began his career in 1986 as the Wake Forest Boys Club Director, guiding the Club through tremendous growth, including three building expansions and the welcoming of girls into the program. As Vice President of Operations, Hugh continued to shape the organization's growth and culture, mentoring staff and ensuring a high-quality Club experience for generations of members. His leadership, commitment, and belief in young people have helped build Great Futures across the organization.

Growing With **Purpose**

Fox Road Boys & Girls Club

The opening of the Fox Road Boys & Girls Club marked a meaningful step forward in expanding access to safe, supportive spaces for youth. Created to meet the growing needs of the community, Fox Road provides members with opportunities to learn, grow, and thrive through high-quality programming and caring adult mentorship. The new building includes a state-of-the-art Best Buy Teen Tech Center featuring computers, laser cutters, embroidery machines, and more—inviting older members to explore technology, creativity, and new career pathways.

Board Chair Letter

To friends of the Boys & Girls Clubs of Wake & Johnston Counties,

2025 was a year of incredible change and growth for the clubs, and it has been my honor and privilege to serve as your Board Chair alongside our new CEO, Matt Taliaferro. Matt's leadership throughout his first full year as CEO was filled with tenacity and a vision of growth supported by our tireless staff, determined Board of Directors, and countless volunteers and donors. With your support, we were able to accomplish significant leaps forward in serving the children who need us most.

We surpassed our previous record in funds raised for the Great Futures Annual Campaign with a total of \$1.8 million to fund operations at the clubs. Thanks to your generosity, we can continue to offer vital after-school programming and meals for youth.

We also grew in a BIG way this year, with the opening of the Fox Road Boys & Girls Club in North Raleigh. We're now serving triple the number of students we were in that area with four additional schools in attendance! If you haven't had a chance to see the club yet, it really is an incredible space, including a new Best Buy Teen Tech Center and a beautifully remodeled gymnasium with a court named for Hugh McLean.

Our sincere gratitude goes out to Hugh as he retires from his role as VP of Operations after 39 years of service. His passion and dedication to the Clubs has made a profound impact on the Community. And we welcome DJ Jones as the new COO, and we are thankful that he has joined us.

The future of the children in our community is our future, and because of your support, it's looking brighter every day.

With gratitude,

Katharine Moore Belloir

Hall of Fame

Inductees

RICHARD URQUHART, III

A dedicated leader and longtime champion for youth, Richard Urquhart, III has served Boys & Girls Clubs for over 20 years, joining the Board in 2002 and serving as Board Chair in 2019. Known for his humility and steady leadership, he has made a lasting impact—most notably helping equip the Teen Center kitchen to provide daily hot meals through partnerships like Golden Corral. A retired COO of Investors Management Corporation, Richard continues to lead through service, strengthening the Club and the broader community.

W. TRENT RAGLAND, III

A Raleigh native and NC State graduate, Trent Ragland, III is President of Ragland Properties and a lifelong champion of Boys & Girls Clubs. He joined the Board in 1994 and served as Board Chair in 2002, continuing a three-generation family legacy that includes the 1977 land donation for the Raleigh Boys Club. Through decades of leadership and philanthropy, Trent has played a vital role in sustaining and growing the Clubs' mission.

Celebrating 20 years of community impact, the Jim Allen Group Gobbler's Run brought families and friends together on Thanksgiving morning for a beloved Wake Forest tradition. This milestone year welcomed more than 2,900 participants to the starting line and delivered record-breaking participation and funds raised. In 2025, the event officially surpassed \$1 million raised over two decades, strengthening Great Futures for members at the Wake Forest Boys & Girls Club.

Zebulon & The Zebulon Golf Tournament

For 24 years, the Zebulon Golf Tournament has brought golfers, sponsors, and community partners together in support of local youth. Hosted by The Zebulon Country Club, this long-standing tradition continues to unite the community in support of the Zebulon Boys & Girls Club, helping create meaningful opportunities and Great Futures for members.

Johnston County & Selma Railroad Days 5K

Started in 1976, Boys & Girls Clubs of Johnston County Railroad Days 5K is the oldest 5K in North Carolina. Boys & Girls Clubs of Johnston County hosts this event each year as part of Selma's Railroad Days Festival. Our runners and walkers take on a fast course through downtown Selma, followed by a fun Caboose Run for the kids. All event proceeds benefit Boys & Girls Clubs of Johnston County's afterschool education programs in Selma and Smithfield.

Thanks to generous supporters, our Clubs thrived in 2025! We began the year as part of Boys & Girls Clubs of Wake & Johnston County, and this partnership has provided enhanced programming and opportunities for the kids we serve. Our after-school program continued to deliver academic support and activities focused

on STEM, the arts, healthy lifestyles, sports, and more! Our full-day summer camp offered days filled with swimming lessons, robotics camp, and field trips in addition to our focus on literacy growth to help minimize summer learning loss. Meals and snacks were provided daily to ensure every child was nourished and ready to learn. On behalf of our Board, volunteers, and the kids we serve, we thank you for your continued support, and we look forward to serving even more JoCo families in 2026!

Ways To Give Back

Donations

Your investment fuels programs in academics, leadership, the arts, sports, workforce readiness, and wellness. Every dollar helps us serve more youth, more effectively. **Research shows that for every \$1 invested in Boys & Girls Clubs, \$10.32 is returned in economic benefits to society.** By donating to Boys & Girls Clubs, you are investing in evidence-based programs that increase youths' earning potential, reduce crime and juvenile delinquency, and improve youths' performance at school.

Sponsorship

From sponsoring events to hosting career days or building tech labs, your company can be part of transforming young lives. **Email Lindsey Doerr, our Director of Campaigns & Events, at ldoerr@wakebgc.org.**

Volunteer

Individual Volunteering

Whether you're helping out in program areas, lending a hand at events, or just sharing your time and talents, you'll make a big impact!

Group Volunteering

Choose a project from our Menu of Opportunities and fill out the quick application form on our website.

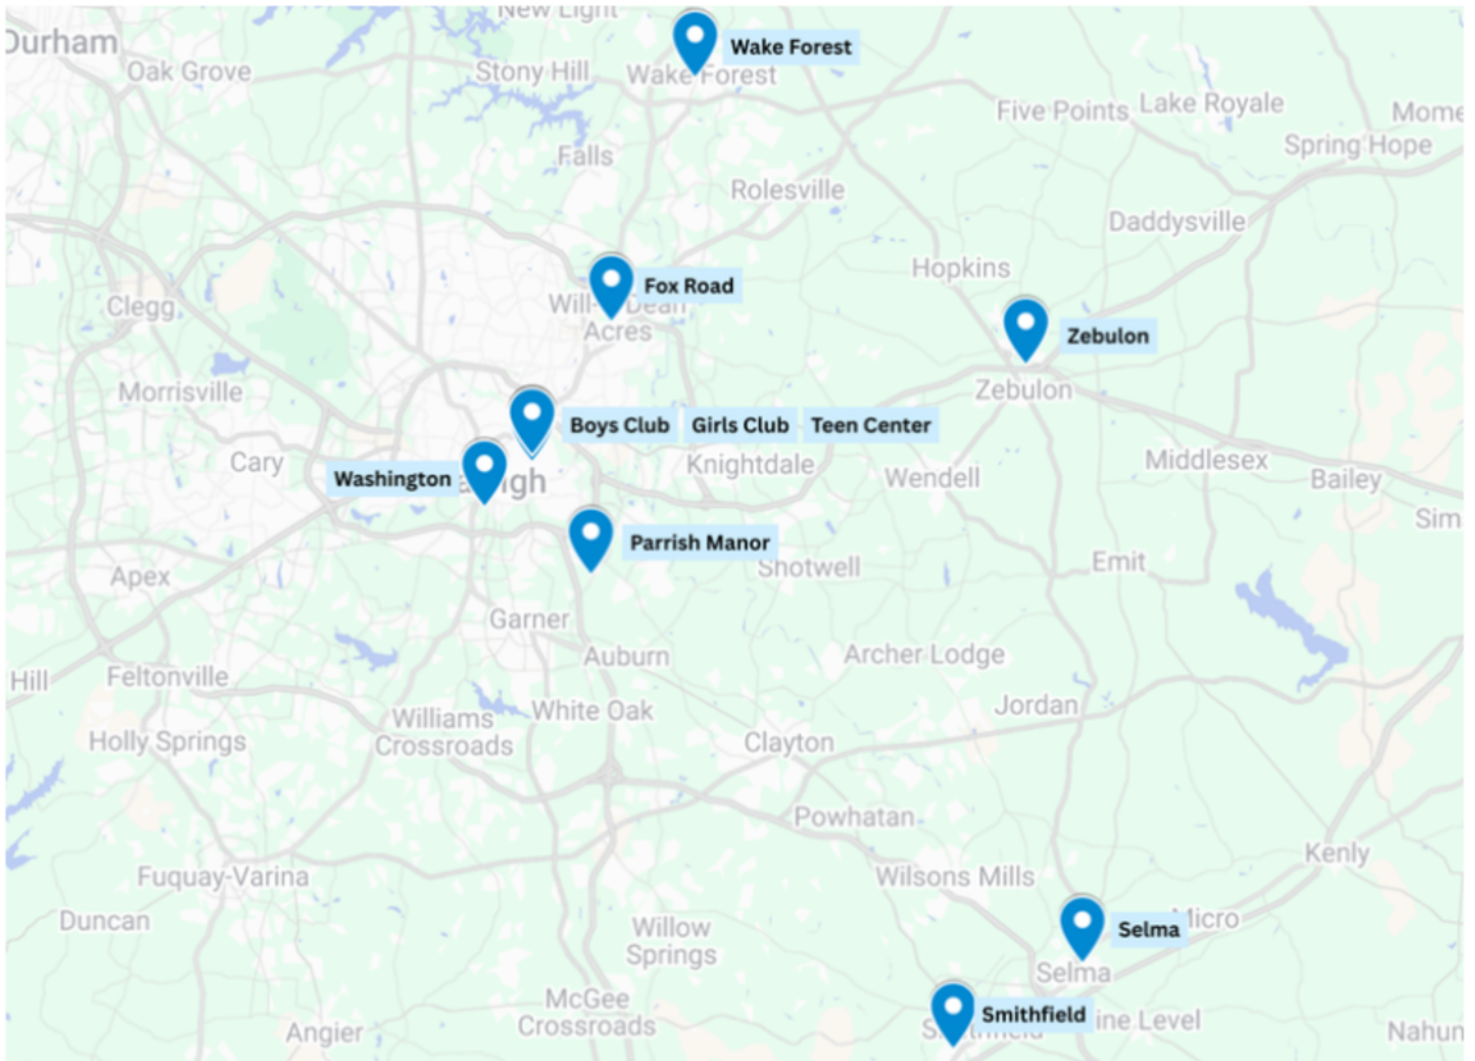

Internships/Work-Study

Student or recent graduate?

Looking to gain experience in youth development, events, marketing, or non-profits? Fill out our Work Study/Internship form on our website!

Email Taylor Bennett, our Community Engagement Manager, at tbennett@wakebgc.org for more information.

2025 Investors Honor Roll

Scan the QR Code with your phone or visit www.wakejohnstonbgc.org/2025-annual-report/ to view our complete Investors Honor Roll.

Every day, our work is strengthened by the generosity of individuals, businesses, and community partners who believe in the power of opportunity for young people. Our printed Investors Honor Roll recognizes donors who contributed \$2,500 or more during the past year—support that directly fuels life-enhancing programs, safe spaces, and caring relationships at our Clubs. While the full list is available online, each name represents a meaningful investment in our mission and a shared commitment to helping every member reach their full potential. We are deeply grateful to the supporters who make Great Futures possible.
